

## African American Inventors and Scientists

George Washington Carver was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Botany/Inventor. He did NOT invent Peanut Butter!

George Washington Carver was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_.

George Washington Carver died on DATE: \_\_\_\_\_

George Washington Carver is also known for or invented the following (name and add links to visuals):

1. Discovered multiple uses for peanuts and soybeans

2.

3.

George Washington Carver attended the following college or university:

1.

2.

George Washington Carver received college degrees in:

1.

2.

George Washington Carver taught at the following colleges/universities:

1.

2.

George Washington Carver worked for the following companies/agencies:

1.

2.

George Washington Carver received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

St. Elmo Brady was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Chemistry

St. Elmo Brady was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. St. Elmo Brady died on DATE: \_\_\_\_\_

St. Elmo Brady is also known for or invented the following (name and add links to visuals):

1. First Black to earn Ph.D. in Chemistry in U.S.

2.

3.

St. Elmo Brady attended the following college or university:

1.

2.

St. Elmo Brady received college degrees in:

1.

2.

St. Elmo Brady taught at the following colleges/universities:

1.

2.

St. Elmo Brady worked for the following companies/agencies:

1.

2.

St. Elmo Brady received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Marie Maynard Daly was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Chemistry and Chemical Engineering

Marie Maynard Daly was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_.

Marie Maynard Daly died on DATE: \_\_\_\_\_

Marie Maynard Daly is also known for or invented the following (name and add links to visuals):

1. First Black Woman PhD. Chemist

2.

3.

Marie Maynard Daly attended the following college or university:

1.

2.

Marie Maynard Daly received college degrees in:

1.

2.

Marie Maynard Daly taught at the following colleges/universities:

1.

2.

Marie Maynard Daly worked for the following companies/agencies:

1.

2.

Marie Maynard Daly received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Guion "Guy" Bluford was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Astronaut. The actual first Black NASA astronaut candidate was: \_\_\_\_\_ . The first Black NASA astronaut died in DATE: \_\_\_\_\_ and his name was \_\_\_\_\_ .

Guion "Guy" Bluford was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_ .

Guion "Guy" Bluford died on DATE: \_\_\_\_\_

Guion "Guy" Bluford is also known for or invented the following (name and add links to visuals):

1. First Black Astronaut in Space

2.

Guion "Guy" Bluford attended the following college or university:

1.

2.

Guion "Guy" Bluford received college degrees in:

1.

2.

Guion "Guy" Bluford taught at the following colleges/universities:

1.

2.

Guion "Guy" Bluford worked for the following companies/agencies:

1.

2.

Guion "Guy" Bluford received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Mae Jemison was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Astronaut

Mae Jemison was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Mae Jemison died on DATE: \_\_\_\_\_

Mae Jemison is also known for or invented the following (name and add links to visuals):

1. First Black Woman Astronaut in Space

2.

3.

Mae Jemison attended the following college or university:

1.

2.

Mae Jemison received college degrees in:

1.

2.

Mae Jemison taught at the following colleges/universities:

1.

2.

Mae Jemison worked for the following companies/agencies:

1.

2.

Mae Jemison received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Benjamin Banneker was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Astronomer/Mathematician

Benjamin Banneker was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_.

Benjamin Banneker died on DATE: \_\_\_\_\_

Benjamin Banneker is also known for or invented the following (name and add links to visuals):

1. Published Annual Almanac/ Built first Wooden Clock

2.

3.

Benjamin Banneker attended the following college or university:

1.

2.

Benjamin Banneker received college degrees in:

1.

2.

Benjamin Banneker taught at the following colleges/universities:

1.

2.

Benjamin Banneker worked for the following companies/agencies:

1.

2.

Benjamin Banneker received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Mary Jackson was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for NASA Mathematician

Mary Jackson was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Mary Jackson died on DATE: \_\_\_\_\_

Mary Jackson is also known for or invented the following (name and add links to visuals):

1. First Black Female NASA Engineer

2.

3.

Mary Jackson attended the following college or university:

1.

2.

Mary Jackson received college degrees in:

1.

2.

Mary Jackson taught at the following colleges/universities:

1.

2.

Mary Jackson worked for the following companies/agencies:

1.

2.

Mary Jackson received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Katherine Johnson was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for NASA Mathematician. Recently, a NASA building was named after her. A feature movie featured her life story.

Katherine Johnson was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_.

Katherine Johnson died on DATE: \_\_\_\_\_

Katherine Johnson is also known for or invented the following (name and add links to visuals):

1. First Black Woman NASA Mathematician

2.

3.

Katherine Johnson attended the following college or university:

1.

2.

Katherine Johnson received college degrees in:

1.

2.

Katherine Johnson taught at the following colleges/universities:

1.

2.

Katherine Johnson worked for the following companies/agencies:

1.

2.

Katherine Johnson received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Dorothy Vaughn was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for NASA Mathematician. A feature movie featured her life story.

Dorothy Vaughn was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Dorothy Vaughn died on DATE: \_\_\_\_\_

Dorothy Vaughn is also known for or invented the following (name and add links to visuals):

1. First Black Woman to lead NASA Mathematician group
- 2.
- 3.

Dorothy Vaughn attended the following college or university:

- 1.
- 2.

Dorothy Vaughn received college degrees in:

- 1.
- 2.

Dorothy Vaughn taught at the following colleges/universities:

- 1.
- 2.

Dorothy Vaughn worked for the following companies/agencies:

- 1.
- 2.

Dorothy Vaughn received the following awards/patents for their work:

- 1.
- 2.
- 3.

## African American Inventors and Scientists

Lonnie Johnson was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Engineering

Lonnie Johnson was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Lonnie Johnson died on DATE: \_\_\_\_\_

Lonnie Johnson is also known for or invented the following (name and add links to visuals):

1. Created "Super Soaker" Water Guns

2.

3.

Lonnie Johnson attended the following college or university:

1.

2.

Lonnie Johnson received college degrees in:

1.

2.

Lonnie Johnson taught at the following colleges/universities:

1.

2.

Lonnie Johnson worked for the following companies/agencies:

1.

2.

Lonnie Johnson received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

William Guillory was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Chemistry

William Guillory was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. William Guillory died on DATE: \_\_\_\_\_

William Guillory is also known for or invented the following (name and add links to visuals):

1. First National President of NOBCCHE

2.

3.

William Guillory attended the following college or university:

1.

2.

William Guillory received college degrees in:

1.

2.

William Guillory taught at the following colleges/universities:

1. Drexel University Professor

2.

William Guillory worked for the following companies/agencies:

1.

2.

William Guillory received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Edward Alexander Bouchet was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Physics

Edward Alexander Bouchet was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_.

Edward Alexander Bouchet died on DATE: \_\_\_\_\_

Edward Alexander Bouchet is also known for or invented the following (name and add links to visuals):

1. First Black to earn Physics Ph.D. in U.S.

2.

3.

Edward Alexander Bouchet attended the following college or university:

1.

2.

Edward Alexander Bouchet received college degrees in:

1.

2.

Edward Alexander Bouchet taught at the following colleges/universities:

1.

2.

Edward Alexander Bouchet worked for the following companies/agencies:

1.

2.

Edward Alexander Bouchet received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Elbert Frank Cox was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Mathematics

Elbert Frank Cox was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Elbert Frank Cox died on DATE: \_\_\_\_\_

Elbert Frank Cox is also known for or invented the following (name and add links to visuals):

1. First Black to earn Ph.D. in Mathematics in U.S.

2.

3.

Elbert Frank Cox attended the following college or university:

1.

2.

Elbert Frank Cox received college degrees in:

1.

2.

Elbert Frank Cox taught at the following colleges/universities:

1.

2.

Elbert Frank Cox worked for the following companies/agencies:

1.

2.

Elbert Frank Cox received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Dr. Charles Drew was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Medicine.

He died tragically after a severe car accident. He bled to death.

Dr. Charles Drew was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Dr. Charles Drew died on DATE: \_\_\_\_\_

Dr. Charles Drew is also known for or invented the following (name and add links to visuals):

1. Invented Blood Plasma Storage Techniques

2.

3.

Dr. Charles Drew attended the following college or university:

1.

2.

Dr. Charles Drew received college degrees in:

1.

2.

Dr. Charles Drew taught at the following colleges/universities:

1.

2.

Dr. Charles Drew worked for the following companies/agencies:

1.

2.

Dr. Charles Drew received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Dr. Percy Julian was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Organic Chemistry. NOBCCHE (pronounced "NO-BEE-SHAY) gives out annual national award for science excellence in his name.

Dr. Percy Julian was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Dr. Percy Julian died on DATE: \_\_\_\_\_

Dr. Percy Julian is also known for or invented the following (name and add links to visuals):

1. First to synthesize hormones and cortisones from Soybeans

2.

3.

Dr. Percy Julian attended the following college or university:

1.

2.

Dr. Percy Julian received college degrees in:

1.

2.

Dr. Percy Julian taught at the following colleges/universities:

1.

2.

Dr. Percy Julian worked for the following companies/agencies:

1.

2.

Dr. Percy Julian received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Dr. Ernest Just was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Cell Biology.

Dr. Ernest Just was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Dr. Ernest Just died on DATE: \_\_\_\_\_

Dr. Ernest Just is also known for or invented the following (name and add links to visuals):

1. Pioneered cell research and marine biology techniques

2.

3.

Dr. Ernest Just attended the following college or university:

1.

2.

Dr. Ernest Just received college degrees in:

1.

2.

Dr. Ernest Just taught at the following colleges/universities:

1.

2.

Dr. Ernest Just worked for the following companies/agencies:

1.

2.

Dr. Ernest Just received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Dr. Charles Henry Turner was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Zoology

Dr. Charles Henry Turner was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_.

Dr. Charles Henry Turner died on DATE: \_\_\_\_\_

Dr. Charles Henry Turner is also known for or invented the following (name and add links to visuals):

1. First Black to earn Ph.D. in Zoology

2.

3.

Dr. Charles Henry Turner attended the following college or university:

1.

2.

Dr. Charles Henry Turner received college degrees in:

1.

2.

Dr. Charles Henry Turner taught at the following colleges/universities:

1.

2.

Dr. Charles Henry Turner worked for the following companies/agencies:

1.

2.

Dr. Charles Henry Turner received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Daniel Hale Williams was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Medicine.

Daniel Hale Williams was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_.

Daniel Hale Williams died on DATE: \_\_\_\_\_

Daniel Hale Williams is also known for or invented the following (name and add links to visuals):

1. Performed first successful open heart surgery in U.S.

2.

3.

Daniel Hale Williams attended the following college or university:

1.

2.

Daniel Hale Williams received college degrees in:

1.

2.

Daniel Hale Williams taught at the following colleges/universities:

1.

2.

Daniel Hale Williams worked for the following companies/agencies:

1.

2.

Daniel Hale Williams received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Elijah McCoy was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for being an Inventor. The once popular phrase, "Is it the real McCoy?" meant any quality product because his invention worked the best. Other copies of his invention worked poorly.

Elijah McCoy was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Elijah McCoy died on DATE: \_\_\_\_\_

Elijah McCoy is also known for or invented the following (name and add links to visuals):

1. Created first self-lubricating cup for trains/The real McCoy

2.

3.

Elijah McCoy attended the following college or university:

1.

2.

Elijah McCoy received college degrees in:

1.

2.

Elijah McCoy taught at the following colleges/universities:

1.

2.

Elijah McCoy worked for the following companies/agencies:

1.

2.

Elijah McCoy received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Dr. Henry Sampson was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Dr. Henry Sampson was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Dr. Henry Sampson died on DATE: \_\_\_\_\_

Dr. Henry Sampson is also known for or invented the following (name and add links to visuals):

1. Invented Gamma-Electrical cell

2.

3.

Dr. Henry Sampson attended the following college or university:

1.

2.

Dr. Henry Sampson received college degrees in:

1.

2.

Dr. Henry Sampson taught at the following colleges/universities:

1.

2.

Dr. Henry Sampson worked for the following companies/agencies:

1.

2.

Dr. Henry Sampson received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

L.C. Bailey was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

L.C. Bailey was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. L.C. Bailey died on DATE: \_\_\_\_\_

L.C. Bailey is also known for or invented the following (name and add links to visuals):

1. Invented the folding bed

2.

3.

L.C. Bailey attended the following college or university:

1.

2.

L.C. Bailey received college degrees in:

1.

2.

L.C. Bailey taught at the following colleges/universities:

1.

2.

L.C. Bailey worked for the following companies/agencies:

1.

2.

L.C. Bailey received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Jan Matzeliger was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Jan Matzeliger was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Jan Matzeliger died on DATE: \_\_\_\_\_

Jan Matzeliger is also known for or invented the following (name and add links to visuals):

1. Invented the shoe lasting machine

2.

3.

Jan Matzeliger attended the following college or university:

1.

2.

Jan Matzeliger received college degrees in:

1.

2.

Jan Matzeliger taught at the following colleges/universities:

1.

2.

Jan Matzeliger worked for the following companies/agencies:

1.

2.

Jan Matzeliger received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Garrett Morgan was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Garrett Morgan was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Garrett Morgan died on DATE: \_\_\_\_\_

Garrett Morgan is also known for or invented the following (name and add links to visuals):

1. Invented first Gas Mask

2.

3.

4.

5.

Garrett Morgan attended the following college or university:

1.

2.

Garrett Morgan received college degrees in:

1.

2.

Garrett Morgan taught at the following colleges/universities:

1.

2.

Garrett Morgan worked for the following companies/agencies:

1.

2.

Garrett Morgan received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Lewis H. Latimer was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Lewis H. Latimer was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Lewis H. Latimer died on DATE: \_\_\_\_\_

Lewis H. Latimer is also known for or invented the following (name and add links to visuals):

1. Invented a method of making carbon filaments for electric light

2.

3.

Lewis H. Latimer attended the following college or university:

1.

2.

Lewis H. Latimer received college degrees in:

1.

2.

Lewis H. Latimer taught at the following colleges/universities:

1.

2.

Lewis H. Latimer worked for the following companies/agencies:

1.

2.

Lewis H. Latimer received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Charles Banks was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Charles banks was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Charles banks died on DATE: \_\_\_\_\_

Charles banks is also known for or invented the following (name and add links to visuals):

1. Received a patent for the hydraulic jack in 1930

2.

3.

Charles banks attended the following college or university:

1.

2.

Charles banks received college degrees in:

1.

2.

Charles banks taught at the following colleges/universities:

1.

2.

Charles banks worked for the following companies/agencies:

1.

2.

Charles banks received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Augustus Jackson was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Augustus Jackson was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_.

Augustus Jackson died on DATE: \_\_\_\_\_

Augustus Jackson is also known for or invented the following (name and add links to visuals):

1. Invented a method of manufacturing ice cream in 1832

2.

3.

Augustus Jackson attended the following college or university:

1.

2.

Augustus Jackson received college degrees in:

1.

2.

Augustus Jackson taught at the following colleges/universities:

1.

2.

Augustus Jackson worked for the following companies/agencies:

1.

2.

Augustus Jackson received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Thomas Stewart was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Thomas Stewart was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Thomas Stewart died on DATE: \_\_\_\_\_

Thomas Stewart is also known for or invented the following (name and add links to visuals):

1. Patented a new type of mop in 1893

2.

3.

Thomas Stewart attended the following college or university:

1.

2.

Thomas Stewart received college degrees in:

1.

2.

Thomas Stewart taught at the following colleges/universities:

1.

2.

Thomas Stewart worked for the following companies/agencies:

1.

2.

Thomas Stewart received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Charles Brooks was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Charles Brooks was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Charles Brooks died on DATE: \_\_\_\_\_

Charles Brooks is also known for or invented the following (name and add links to visuals):

1. Invented a street sweeper

2.

3.

Charles Brooks attended the following college or university:

1.

2.

Charles Brooks received college degrees in:

1.

2.

Charles Brooks taught at the following colleges/universities:

1.

2.

Charles Brooks worked for the following companies/agencies:

1.

2.

Charles Brooks received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for

was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. died on  
DATE: \_\_\_\_\_

is also known for or invented the following (name and add links to visuals):

- 1.
- 2.
- 3.

attended the following college or university:

- 1.
- 2.

received college degrees in:

- 1.
- 2.

taught at the following colleges/universities:

- 1.
- 2.

worked for the following companies/agencies:

- 1.
- 2.

received the following awards/patents for their work:

- 1.
- 2.
- 3.

## African American Inventors and Scientists

Geo. F. Grant was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor. His actual first name is George. Geo. is the old abbreviation for George. Before his invention, golfers used small piles of sand to “tee up” the golf balls.

Geo. F. Grant was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Geo. F. Grant died on DATE: \_\_\_\_\_

Geo. F. Grant is also known for or invented the following (name and add links to visuals):

1. Invented the golf tee

2.

3.

Geo. F. Grant attended the following college or university:

1.

2.

Geo. F. Grant received college degrees in:

1.

2.

Geo. F. Grant taught at the following colleges/universities:

1.

2.

Geo. F. Grant worked for the following companies/agencies:

1.

2.

Geo. F. Grant received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Fredrick Jones was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor. His invention allowed fresh fruits, meat, and dairy products to be shipped all over the country. Before his invention most fruits and vegetables were only seasonal. You couldn't have grapes, apples, oranges, strawberries, bananas all year around. His invention is visible on large tractor trailers with cube shaped humps at their fronts.

Fredrick Jones was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Fredrick Jones died on DATE: \_\_\_\_\_

Fredrick Jones is also known for or invented the following (name and add links to visuals):

1. Invented an automatic refrigeration system for trucks and railroad
- 2.
- 3.

Fredrick Jones attended the following college or university:

- 1.
- 2.

Fredrick Jones received college degrees in:

- 1.
- 2.

Fredrick Jones taught at the following colleges/universities:

- 1.
- 2.

Fredrick Jones worked for the following companies/agencies:

- 1.
- 2.

Fredrick Jones received the following awards/patents for their work:

- 1.
- 2.

3.

## African American Inventors and Scientists

Andrew Beard was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor.

Andrew Beard was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Andrew Beard died on DATE: \_\_\_\_\_

Andrew Beard is also known for or invented the following (name and add links to visuals):

1. Invented a rotary engine

2.

3.

Andrew Beard attended the following college or university:

1.

2.

Andrew Beard received college degrees in:

1.

2.

Andrew Beard taught at the following colleges/universities:

1.

2.

Andrew Beard worked for the following companies/agencies:

1.

2.

Andrew Beard received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Phil Brooks was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Phil Brooks was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Phil Brooks died on DATE: \_\_\_\_\_

Phil Brooks is also known for or invented the following (name and add links to visuals):

1. Invented a disposable syringe

2.

3.

Phil Brooks attended the following college or university:

1.

2.

Phil Brooks received college degrees in:

1.

2.

Phil Brooks taught at the following colleges/universities:

1.

2.

Phil Brooks worked for the following companies/agencies:

1.

2.

Phil Brooks received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

G. T. Sampson was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

G. T. Sampson was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. G. T. Sampson died on DATE: \_\_\_\_\_

G. T. Sampson is also known for or invented the following (name and add links to visuals):

1. Invented the clothes dryer

2.

3.

G. T. Sampson attended the following college or university:

1.

2.

G. T. Sampson received college degrees in:

1.

2.

G. T. Sampson taught at the following colleges/universities:

1.

2.

G. T. Sampson worked for the following companies/agencies:

1.

2.

G. T. Sampson received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Thomas Jennings was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Thomas Jennings was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Thomas Jennings died on DATE: \_\_\_\_\_

Thomas Jennings is also known for or invented the following (name and add links to visuals):

1. First African American to receive a U.S. patent

2.

3.

Thomas Jennings attended the following college or university:

1.

2.

Thomas Jennings received college degrees in:

1.

2.

Thomas Jennings taught at the following colleges/universities:

1.

2.

Thomas Jennings worked for the following companies/agencies:

1.

2.

Thomas Jennings received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

O. Dorsey was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor. His first name is Osborne. Before his invention, homes were secured with simple latches and or simple pushed or pulled closed. Household valuables were stored in a hidden locked chest.

O. Dorsey was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. O. Dorsey died on DATE: \_\_\_\_\_

O. Dorsey is also known for or invented the following (name and add links to visuals):

1. Invented a doorknob and doorstop

2.

3.

O. Dorsey attended the following college or university:

1.

2.

O. Dorsey received college degrees in:

1.

2.

O. Dorsey taught at the following colleges/universities:

1.

2.

O. Dorsey worked for the following companies/agencies:

1.

2.

O. Dorsey received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Jack Johnson was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor. He was the first Black heavyweight boxing champion of the world.

Jack Johnson was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Jack Johnson died on DATE: \_\_\_\_\_

Jack Johnson is also known for or invented the following (name and add links to visuals):

1. Former heavyweight champion who has a patent for an adjustable wrench

2.

3.

Jack Johnson attended the following college or university:

1.

2.

Jack Johnson received college degrees in:

1.

2.

Jack Johnson taught at the following colleges/universities:

1.

2.

Jack Johnson worked for the following companies/agencies:

1.

2.

Jack Johnson received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

William Purvis was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

William Purvis was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. William Purvis died on DATE: \_\_\_\_\_

William Purvis is also known for or invented the following (name and add links to visuals):

1. Invented and patented improvements to the fountain pen

2.

3.

William Purvis attended the following college or university:

1.

2.

William Purvis received college degrees in:

1.

2.

William Purvis taught at the following colleges/universities:

1.

2.

William Purvis worked for the following companies/agencies:

1.

2.

William Purvis received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Lyda Newman was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Lyda Newman was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Lyda Newman died on DATE: \_\_\_\_\_

Lyda Newman is also known for or invented the following (name and add links to visuals):

1. Patented a new improved brush

2.

3.

Lyda Newman attended the following college or university:

1.

2.

Lyda Newman received college degrees in:

1.

2.

Lyda Newman taught at the following colleges/universities:

1.

2.

Lyda Newman worked for the following companies/agencies:

1.

2.

Lyda Newman received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

John L. Love was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

John L. Love was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. John L. Love died on DATE: \_\_\_\_\_

John L. Love is also known for or invented the following (name and add links to visuals):

1. Invented a portable pencil sharpener

2.

3.

John L. Love attended the following college or university:

1.

2.

John L. Love received college degrees in:

1.

2.

John L. Love taught at the following colleges/universities:

1.

2.

John L. Love worked for the following companies/agencies:

1.

2.

John L. Love received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

James Adams was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

James Adams was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. James Adams died on DATE: \_\_\_\_\_

James Adams is also known for or invented the following (name and add links to visuals):

1. Invented a way of propelling airplanes in 1920

2.

3.

James Adams attended the following college or university:

1.

2.

James Adams received college degrees in:

1.

2.

James Adams taught at the following colleges/universities:

1.

2.

James Adams worked for the following companies/agencies:

1.

2.

James Adams received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Lloyd Ray was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Lloyd Ray was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Lloyd Ray died on DATE: \_\_\_\_\_

Lloyd Ray is also known for or invented the following (name and add links to visuals):

1. Patented new and useful improvements to the dustpan

2.

3.

Lloyd Ray attended the following college or university:

1.

2.

Lloyd Ray received college degrees in:

1.

2.

Lloyd Ray taught at the following colleges/universities:

1.

2.

Lloyd Ray worked for the following companies/agencies:

1.

2.

Lloyd Ray received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Granville T. Woods was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Granville T. Woods was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_.

Granville T. Woods died on DATE: \_\_\_\_\_

Granville T. Woods is also known for or invented the following (name and add links to visuals):

1. Invented the overhead conducting system for electric railway

2.

3.

Granville T. Woods attended the following college or university:

1.

2.

Granville T. Woods received college degrees in:

1.

2.

Granville T. Woods taught at the following colleges/universities:

1.

2.

Granville T. Woods worked for the following companies/agencies:

1.

2.

Granville T. Woods received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Bertram Baker was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Bertram Baker was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Bertram Baker died on DATE: \_\_\_\_\_

Bertram Baker is also known for or invented the following (name and add links to visuals):

1. Received a patent for an automatic cashier in 1926

2.

3.

Bertram Baker attended the following college or university:

1.

2.

Bertram Baker received college degrees in:

1.

2.

Bertram Baker taught at the following colleges/universities:

1.

2.

Bertram Baker worked for the following companies/agencies:

1.

2.

Bertram Baker received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Nathaniel Alexander was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Nathaniel Alexander was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_.

Nathaniel Alexander died on DATE: \_\_\_\_\_

Nathaniel Alexander is also known for or invented the following (name and add links to visuals):

1. Invented the folding chair

2.

3.

Nathaniel Alexander attended the following college or university:

1.

2.

Nathaniel Alexander received college degrees in:

1.

2.

Nathaniel Alexander taught at the following colleges/universities:

1.

2.

Nathaniel Alexander worked for the following companies/agencies:

1.

2.

Nathaniel Alexander received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Alexander Ashbourne was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Alexander Ashbourne was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_.

Alexander Ashbourne died on DATE: \_\_\_\_\_

Alexander Ashbourne is also known for or invented the following (name and add links to visuals):

1. Received a patent for a biscuit cutter in 1875

2.

3.

Alexander Ashbourne attended the following college or university:

1.

2.

Alexander Ashbourne received college degrees in:

1.

2.

Alexander Ashbourne taught at the following colleges/universities:

1.

2.

Alexander Ashbourne worked for the following companies/agencies:

1.

2.

Alexander Ashbourne received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Joseph Dickinson was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Joseph Dickinson was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Joseph Dickinson died on DATE: \_\_\_\_\_

Joseph Dickinson is also known for or invented the following (name and add links to visuals):

1. Invented an improved player piano in 1918

2.

3.

Joseph Dickinson attended the following college or university:

1.

2.

Joseph Dickinson received college degrees in:

1.

2.

Joseph Dickinson taught at the following colleges/universities:

1.

2.

Joseph Dickinson worked for the following companies/agencies:

1.

2.

Joseph Dickinson received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Willis Johnson was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Willis Johnson was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Willis Johnson died on DATE: \_\_\_\_\_

Willis Johnson is also known for or invented the following (name and add links to visuals):

1. Patented an improved mechanical eggbeater and mixer in 1884

2.

3.

Willis Johnson attended the following college or university:

1.

2.

Willis Johnson received college degrees in:

1.

2.

Willis Johnson taught at the following colleges/universities:

1.

2.

Willis Johnson worked for the following companies/agencies:

1.

2.

Willis Johnson received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Norbert Rillieux was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Norbert Rillieux was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Norbert Rillieux died on DATE: \_\_\_\_\_

Norbert Rillieux is also known for or invented the following (name and add links to visuals):

1. Invented a process to refine sugar

2.

3.

Norbert Rillieux attended the following college or university:

1.

2.

Norbert Rillieux received college degrees in:

1.

2.

Norbert Rillieux taught at the following colleges/universities:

1.

2.

Norbert Rillieux worked for the following companies/agencies:

1.

2.

Norbert Rillieux received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

John Albert Burr was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

John Albert Burr was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. John Albert Burr died on DATE: \_\_\_\_\_

John Albert Burr is also known for or invented the following (name and add links to visuals):

1. Received a patent for an improved rotary lawn mower in 1899

2.

3.

John Albert Burr attended the following college or university:

1.

2.

John Albert Burr received college degrees in:

1.

2.

John Albert Burr taught at the following colleges/universities:

1.

2.

John Albert Burr worked for the following companies/agencies:

1.

2.

John Albert Burr received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Maurice W. Lee was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Maurice W. Lee was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Maurice W. Lee died on DATE: \_\_\_\_\_

Maurice W. Lee is also known for or invented the following (name and add links to visuals):

1. Invented the pressure cooker

2.

3.

Maurice W. Lee attended the following college or university:

1.

2.

Maurice W. Lee received college degrees in:

1.

2.

Maurice W. Lee taught at the following colleges/universities:

1.

2.

Maurice W. Lee worked for the following companies/agencies:

1.

2.

Maurice W. Lee received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

Alfred Benjamin was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

Alfred Benjamin was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. Alfred Benjamin died on DATE: \_\_\_\_\_

Alfred Benjamin is also known for or invented the following (name and add links to visuals):

1. Invented the stainless steel scouring pad in 1962

2.

3.

Alfred Benjamin attended the following college or university:

1.

2.

Alfred Benjamin received college degrees in:

1.

2.

Alfred Benjamin taught at the following colleges/universities:

1.

2.

Alfred Benjamin worked for the following companies/agencies:

1.

2.

Alfred Benjamin received the following awards/patents for their work:

1.

2.

3.

## African American Inventors and Scientists

James Bauer was an African American SCIENTIST/INVENTOR/ENGINEER. They were known for Inventor

James Bauer was born on DATE: \_\_\_\_\_ in LOCATION: \_\_\_\_\_. James Bauer died on DATE: \_\_\_\_\_

James Bauer is also known for or invented the following (name and add links to visuals):

1. Invented the coin changer

2.

3.

James Bauer attended the following college or university:

1.

2.

James Bauer received college degrees in:

1.

2.

James Bauer taught at the following colleges/universities:

1.

2.

James Bauer worked for the following companies/agencies:

1.

2.

James Bauer received the following awards/patents for their work:

1.

2.

3.
